uPVC Pipes & Fittings

About Us

Waterjet Polymer Pvt. Ltd. established in 2015 is engaged in manufacturing of PVC Pipes & Fittings. We have established "WATERJET" as a prominent brand in market. With excellent quality products and dedicated service, Waterjet Polymer Pvt. Ltd; an ISO 9001:2008 Certified company, has registered its position as a reputed brand in the market.

Infrastructure

With a state of art INFRASTRUCTURE, we are able to execute our orders. We have a team of highly experienced and skilled workers who are specialists in their work. We have dedicated pipe extrusion for each type of pipe which are backed with dedicated molding machines for Pipe Fittings.

Many Separate lines of production are available in our unit with their respective instruments and laboratories. Our manpower is highly skilled and specially trained to use such high tech machines and understand the processes and methodologies.

Mission

To make "WATERJET" a professional, well managed and flexible supplier of PVC piping systems, achieving planned results and meeting customer expectations.

Vision

To be the most esteemed and secured top position in Plumbing Industries.
